

INTRODUCTION

Maximise your space plan covers with confidence through understanding table sizes. Our table size guide has been created with drawings created by our design department to give you detailed, colourful visuals to help you easily understand table sizes and covers. With our table guide you will be able to confidently select the right table size and number of seats for your venue. The outcome being a hospitality venue which has maximum covers, whilst still offering comfort for those drinking and dining.

If you have any further questions regarding table sizes and covers, please do contact us and we would be delighted to assist you.

The following are the standard table tops shapes in this guide:

- Circular Table Tops
- Rectangular Table Tops
- Square Table Tops
